WAIVER OF PREMIUM OPTION

If you are disabled and unable to work at your existing job, premiums due on your policy for the first 24 months of such disablement shall be paid by the company. This benefit is available to people who are employed and between 19 and 49 years old. Benefits and premiums cease on the policy anniversary preceding age 60 (males & females) or at the end of the term of the policy, if earlier.

If the life assured is unemployed at outset of disability or still claiming benefit after 24 months, the definition of disability further requires that the claimant is unable to follow any gainful employment.

ACCIDENTAL DEATH BENEFIT OPTION

Looking for a cost effective way to increase your coverage amount? This benefit provides additional coverage which cannot exceed the Sum Assured and is restricted to a maximum of TT 500k and is payable where death occurs within 90 days due to sustaining an accidental bodily injury.

This means the selected Sum Assured plus this added benefit will be paid to your beneficiary.

This benefit is available to persons between the ages of 15 & 59 years.

If you die as a result of an accident, your beneficiary will get an additional payment which cannot be more than the amount you are already insured for.

If death occurs by accident in a licensed vehicle for public hire, excluding aircraft, a lump sum payment will be made in the amount of two times the sum assured
