

BE CAREFREE AT 63!

LIFE **SECURE**
RETIREMENT

MY GUARDIAN TOOK CARE OF ME SO I CAN LIVE AND FEEL FREE.

HOW IT WORKS:

- a. At the time of application the policyholder must select a retirement date
- b. After 10 years the policyholder may change the previously selected age/date
- c. The credited rate is applied to the client accumulation monthly
- d. The interest on the new premiums are earned immediately and are applied to the fund
- e. Maturities will earn interest up to the end of the month preceding said maturity

BENEFITS:

1. The credited rate is declared annually in advance (based on returns to-date, anticipated returns and spread retained by Guardian Life)
2. At any time, deposits and interests credited up to that time are guaranteed
3. At retirement, the policyholder will be entitled to the guaranteed annuity rate or annuity rate available at point of retirement. Whichever is greater

**THE CLIENT ACCUMULATION
