GUARDIAN **CARE PLUS**

When you are diagnosed with any critical illness you will need cash to pay medical expenses. In addition, your everyday family expenses will have to be met.

Give yourself a chance to survive, invest in a plan designed to provide cash to finance the cost of treatment and recovery from Cancer, Stroke, Major Burns, Heart Attack, Blindness, Coma, Paralysis, Multiple Sclerosis, Deafness or Loss of Speech.

GUARDIAN CARE PLUS

Guardian Care Plus is a non-medical plan which pays a lump sum benefit on the first diagnosis of Cancer, Stroke, Major Burns, Heart Attack, Blindness, Coma, Paralysis, Multiple Sclerosis, Deafness or Loss of Speech.

ISSUE AGES

The policy may be issued to individuals, ages 18 to 60 years, nearest birthday.

MINIMUM AND MAXIMUM BASIC SUM ASSURED

Coverage Band: ($3M to $15M) – Age 18-40
Coverage Band: ($1.5M to $15M) – Age 41-60

PREMIUMS

Premiums are payable for twenty years or up to age 75, whichever is later.

ELIMINATION PERIOD

This is a period of one hundred and eighty (180) days after:

a) The commencement date of the policy as shown in the Policy Schedule, or
b) In the case where the policy has been reinstated, the date of reinstatement.

If the first diagnosis is made or death occurs during the Elimination Period, all premiums paid will be refunded.

EXCEPTIONS

No benefit is payable on diagnosis of any of the named illnesses if it was caused by or resulted from any "Pre-Existing Condition". A pre-existing condition is either:

1. The existence of symptoms which could cause an ordinarily prudent person to seek diagnosis, care or treatment before the policy was in force or before the end of the Elimination Period; or

2. A condition for which medical advice or treatment was recommended before the policy was in force or before the end of the Elimination Period.

GRACE PERIOD

The grace period is 30 days after a renewal premium is due. Your policy will lapse if your premium is not paid within the grace period.

CASH VALUE/ BONUS

The policy has no Cash Value or Bonus.

AMBULANCE BENEFIT

Guardian Life will pay the current maximum payable per life (the current maximum is J$5,000) if, as a result of the first diagnosis of the Life Insured with Cancer, Stroke, Major Burns, Heart Attack, Blindness, Coma, Paralysis, Multiple Sclerosis, Deafness or Loss of Speech, the Life Insured was transported in an ambulance to a hospital.

DEATH BENEFIT

If death occurs as a result of any critical illnesses covered under this plan while the policy is in force and no claim relating to the cause of death had previously been made, then the sum assured less any indebtedness will be paid. Otherwise, the amount payable on the death of the Life Insured while the policy is in force is a sum equal to the total of all premiums paid as at the date of death less any indebtedness.

CLAIMS

Claims must be made in writing no later than six (6) months after the diagnosis of Cancer, Stroke, Major Burns, Heart Attack, Blindness, Coma, Paralysis, Multiple Sclerosis, Deafness or Loss of Speech.

PREMIUM REFUND BENEFIT

At the expiry date, if there was no claim, all premiums paid will be refunded and the policy will terminate.

REINSTATEMENT

The policy may be reinstated once within 120 days from the due date of the first unpaid premium. Upon approval for reinstatement, the date on which the policy is reinstated will be deemed as the date of reinstatement. The Elimination Period of the policy would then be recalculated from the date of reinstatement.

EXPIRY DATE

Expiry date is the 20th policy anniversary or the policy anniversary upon which the life assured attains age 75, whichever is later.

TERMINATION

The plan will terminate:

- Upon the death of the Life Insured
- Upon the payment of a claim, or
- At expiry date, whichever occurs first.

DEFINITIONS

CANCER

Cancer is the presence of an uncontrolled growth and the spread of malignant cells. Incontrovertible evidence of the invasion of tissue or definite histology of a malignant growth must be produced. The term "Cancer" also includes leukaemia, lymphomas and Hodgkin's disease. Specifically excluded are:

1. Carcinoma in situ
2. All skin cancers except malignant melanomas
3. Squamous cell carcinoma
4. Cancers caused directly or indirectly by AIDS, HIV infection, and other conditions related to or arising from HIV infection;
5. All tumours which are histologically described as pre-malignant, showing early malignant change, or having malignant potential.
6. Stage 1 Hodgkin's disease

STROKE

Any cerebrovascular incident producing sequelae lasting more than 24 hours and including infraction of the brain tissue, haemorrhage and embolisation from an extra-cranial source. Evidence of permanent

neurological deficit must be produced. Transient ischaemic attacks are not covered.

MAJOR BURNS

Third degree burns covering at least 30% of the surface of the person´s body.

HEART ATTACK

The death of a portion of the heart muscles as a result of inadequate blood supply to the relevant area, the diagnosis being evidenced by a history of typical chest pain, new electro cardiographic changes and by elevated levels of cardiac enzymes.

BLINDNESS

Total, permanent and irreversible loss of sight in both eyes

COMA

A state of unconsciousness with no reaction to external stimuli or internal needs, persisting continuously with the use of life support systems for a period of at least one hundred and forty hours.

PARALYSIS

Total, irreversible loss of muscle function or sensation to the whole or any of two limbs as a result of injury or disease. The disability must be permanent and supported by appropriate neurological evidence.

MULTIPLE SCLEROSIS

Unequivocal diagnosis by a consultant neurologist confirming more than one episode of well-defined neurological deficit, with persisting signs of involvement of the optic nerve, brain stem, and spinal cord, together with impairment of motor and sensory functions with the Life Insured not necessarily confined to a wheel chair.

LOSS OF SPEECH

The total, permanent and irreversible loss of the ability to speak as a result of physical injury or disease.

DEAFNESS

The total, permanent and irreversible loss of hearing in both ears.
