GUARDIAN **LIFESAVER**

Guardian Life presents an insurance plan that brings together a portfolio of benefits to satisfy the insurance and saving needs of individuals at different stages of life.

The concept brings two main points of difference to insurance products currently being sold in Jamaica, which are:

a) Equity-linked, universal life product

b) Portfolio Buying - a flexible way of incorporating the distinct and separate benefits of life assurance, living assurance and savings and investments through one product.

The portfolio of benefits offered by the **Guardian Lifesaver** includes insurance coverage for protection as well as the opportunity to invest in a choice of five Funds to accumulate savings for education, retirement income and/or towards obtaining or reducing a mortgage for your home.

THE GUARDIAN LIFESAVER

This is a non-medical equity-linked, universal life plan. The plan provides you with coverage for protection and offers investment funds through which you can accumulate savings for your special purpose.

ISSUE AGES
This plan will be issued to males and females ages 18 to 75 years, nearest birthday.

MINIMUM SUM ASSURED
The current minimum Sum Assured for all ages is $1,000,000. This amount may be changed from time to time at the discretion of Guardian Life Limited.

MAXIMUM COVERAGES BASED ON AGES
Ages 18 to 75 – $14,000,000

PREMIUM PAYMENTS
Your premiums may be paid monthly, quarterly, half-yearly or yearly. Premiums are payable until the death of the life insured, the date of surrender of the plan or age 100, whichever is earliest. The premiums payable under this plan consist of:

a) The basic premium for the plan

b) Regular additional investment premium

MINIMUM REGULAR ADDITIONAL INVESTMENT PREMIUM
You will be required to pay a minimum regular additional investment premium of $1,000 monthly, $3,000 quarterly, $6,000 half-yearly or $12,000 yearly. You may increase this premium at any time.

REALLOCATION OF INVESTMENT PREMIUMS
The insured person will be required to state how the investment premiums should be allocated to the Funds. A re-allocation fee of $300 will be charged for each change.

ALLOCATION OF PREMIUMS
Ninety-five percent of the investment premium paid, inclusive of ad hoc deposits, is allocated to purchase units in the Funds of your choice.

NON-PAYMENT OF PREMIUMS
Where premiums are not paid within the grace period, units from the Funds will be cancelled to pay premiums. Once the units have been exhausted, your policy will lapse. After your policy has lapsed, all benefits thereunder shall cease.

GRACE PERIOD
The grace period is thirty (30) days after a renewal premium is due.

PARTIAL WITHDRAWAL
You may encash units from your investment funds at any time, subject to a minimum encashment of $2,000. During the first five years the withdrawal charge will be either $1,500 or 7.5% of the amount withdrawn, whichever is greater. Thereafter each withdrawal will attract a charge of $1,500.

RESIDUAL AMOUNT
You will be required to have a minimum balance of $4,000 in the fund, at all times.

SURRENDER BENEFIT
During the first five years the amount payable is the value of the units allocated to the policy based on the bid price prevailing on the date of surrender, less a surrender charge of either $3,000 or 7.5% of the surrender value, whichever is greater. Thereafter the surrender charge will be $3,000.

MATURITY BENEFIT
The plan matures at age 100 for the Sum Assured plus the accumulated value of the units.

DEATH BENEFIT UNDER THE GUARDAN LIFESAVER PLAN
The amount payable upon death is graduated based on age of policy as shown below:

Up to 12 months – a refund of the Basic Premiums paid plus the accumulated value of the units in the investment funds.
13 to 18 months – 50% of the Sum Assured plus the accumulated value of the units in the investment funds.
19 to 24 months – 75% of the Sum Assured plus the accumulated value of the units in the investment funds.
Over 24 months – 100% of the Sum Assured plus the accumulated value of the units in the investment funds.

Notwithstanding the above, if death is by accident, that is an unintended or unforeseen event, 100% of the Basic Sum Assured is payable.

If death is by suicide within two years of the commencement date of the policy, the death benefit will be limited to the surrender benefit.

ADMINISTRATIVE CHARGE

On a monthly basis, Guardian Life will deduct an administrative charge. This charge may be amended from time to time at the discretion of Guardian Life.
