Sagicor Life

OVERVIEW

Sagicor Hospitality Worker Health Plan is designed to address the health needs of employees who were previously employed, or who are currently working in the Tourism Sector. The plan includes coverage for doctors' visits, prescription drugs, diagnostics services and hospitalization.

WHO CAN BUY?

This plan is offered to persons between 18 and 70 years of age, who were previously employed, or who are currently working, in the Tourism sector. You can also add your dependents. Eligible dependents are your spouse and/or unmarried children. Children can be covered up to their 26th birthday, without proof of school attendance.

INTERESTED AND WANT TO ENROLL?

Employees will have thirty (30) days after the date the offer is made to you to enroll and facilitate continuation of coverage. Members can sign up during the three (3) month open enrollment period, during which period all enrollments will be approved without medical evidence of good health. For employees who enroll outside of the thirty (30) day conversion period, pre-existing conditions will apply. No enrollment will be allowed after the end of the open enrollment period.

WHEN WILL IT START ?

Coverage will become effective after submission of your enrollment form and receipt of the first month's premium. The coverage is effective as at the Plan Effective Date of June 1 and eligible benefits are payable from that date.

HEALTH CARDS JUST FOR YOU!

Once your coverage is effective, each member will be provided with a magnetic swipe card (Fast Card). Your Fast Card is to be used at pharmacies and diagnostic (lab & X-ray) centres.

REIMBURSEMENT

Some health care providers, eg: most specialists do not offer credit on the services that they provide. This will apply for all health care practitioners that are not listed as Sagicor providers. In these circumstances members will have to pay up-front for the provider's service and personally claim for reimbursement against the benefit outlined in the schedule . Claims forms can be submitted electronically by our Customer Experience portal or submitted manually at any Sagicor Life branch. The following information should be completed on your claim form: diagnosis (es), the name and address of the provider offering the service (s), the name of the referring physician (if any), the charge for the service (s) and the amount paid.

Please ensure that you upload/affix the original receipt when submitting your claim.

CLAIMS SHOULD BE SUBMITTED WITHIN NINETY DAYS (90) OF RECEIVING SERVICE (S)

CARD DELIVERY

Health cards will be mailed to the home address indicated on the enrollment form.

PRE-EXISTING CONDITIONS

For members who enroll outside of the thirty (30) day conversion period, benefits become payable after six (6) months for pre-existing conditions, i.e. conditions known prior to the effective date of the member. Claims related to newly diagnosed conditions will be eligible from the Plan Effective Date.

Pre-existing condition refers to any disease, injury, illness or condition for which the insured person received treatment, services or advice, or took prescribed medicine within six (6) months prior to the commencement of coverage.

PREMIUM PAYMENTS

A member will be required to pay the full premium. Payments are made quarterly online though our customer experience portal, Sagicor Connect, or any Paymaster location islandwide
